

SAT/ACT Critical Writing Workshop

Your guide to writing effectively for the SAT & ACT essay

Learn How To Write An Effective Essay!

The essay section of the SAT and ACT tests can be scary. There is no single right answer. **But the SAT/ACT Critical Writing Workshop gives students the tools they need to stack the odds in their favor.**

In today's digital and online world, students have become accustomed to writing in short email/IM/text messages – but the entrance exams still demand and score on a more formal, critical approach.

My name is Andrea Loubier and I've been working with students individually since the essay was introduced in 2004, teaching them the critical thinking and writing skills that they need to succeed on this portion of the test.

And now, after spending hundreds of hours analyzing practice essays and fine-tuning the advice I give students on how to improve their scores, I've created a 3-hour workshop that brings it all together. No two students are alike, but all have benefited from my suggestions on how to improve the way they think and write about the issues presented.

The seminar not only teaches students what to expect, it also gives them the strategies they need to succeed on this portion of the exam.

Included as part of each registration is a personalized critique of the final essay written in class. Essay commentary includes not only points of weakness, but also lists strengths and additional ways to improve their score.

The SAT/ACT Critical Writing Workshop fills in the gap between high school requirements and college expectations.

Register today!

To learn more about the instructor and the seminar, visit www.criticalwritingcoach.com.

Students will learn:

- ✚ The basics of critical thinking
- ✚ How to take a position on the issue
- ✚ What questions to ask themselves
- ✚ How to choose supporting evidence
- ✚ The purpose and benefit of organizing these elements
- ✚ How to most effectively shape the evidence
- ✚ How to avoid common mistakes
